SUPPLEMENTARY INFORMATION:

A. Introduction

The federal government shutdown began on October 1, 2013, and ended on October 16, 2013. The public comment periods for a number of Commission proceedings were open for part or all of the shutdown period; however, during the shutdown period it was not possible for interested parties to file comments in these proceedings. In order to ensure that interested parties have a full opportunity to file comments in these proceedings, the Commission has determined to extend the public comment period for the following proceedings. In particular, for each proceeding arising from Commission acceptance for public comment of an Administrative Consent Agreement -- or from an application for Commission approval of a divestiture pursuant to a Commission Decision and Order -- the Commission has determined to extend the public comment period until November 12, 2013. The ten proceedings covered by this determination -- and the news release in which each such proceeding is described -- include the following:

1. *In the Matter of Ganley Ford West, Inc., File No. 122 3269* (Consent Agreement):
